# AUTOMATED CHEMICAL PERISTALTIC PUMPS

**80-1641**
Pail Top Battery Peristaltic Pump
Uses (8) "D" Batteries [K-M No. 83-2674]
(Batteries Not Included)
Qty. 1

**80-1642**
Wall Mount Battery Peristaltic Pump
Uses (8) "D" Batteries [K-M No. 83-2674]
(Batteries Not Included)
Qty. 1

**80-1643**
Wall Mount Peristaltic Pump
AC Powered
Qty. 1

## DESCRIPTION

- Peristaltic pump automatically dispenses chemicals on a programmable schedule.
- Flexible programming provides dosing in intervals up to 24 periods in 24 hours.
- Choice of days, time (AM or PM) and dosing amount (in one-ounce increments).
- Flow Rate: Approximately 3.5 Oz. Per minute
- Battery - "D" Alkaline batteries - Up to 40 hours of continuous pumping.

## Drain Maintenance Questionnaire

1. What costs do you incur from downtime with backed-up drains?

2. What types of services/products do you currently use for drain maintenance?

3. How often do you clean your grease traps?

4. What specific problems are you encountering (drain flies, odor, etc.)?
