How It Works

1 ***START WITH A SHOP SURVEY***
Kimball Midwest can perform a shop survey to help identify your shop's specific needs and select the ideal setup.

2 ***FIND YOUR SHOP SETUP***
Choose Your Category, Size and Quality

Shop setups come in two sizes

☐ Base

☐ Add-On

Shop by Industry or Category

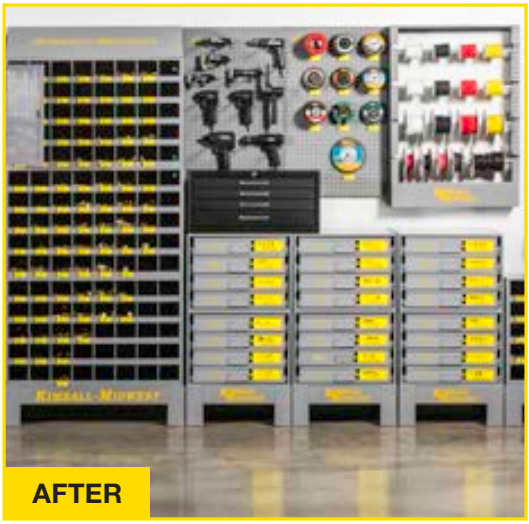

- Equipment
- Electrical
- Fasteners
- Fluid Flow/Hydraulics
- Automotive
- Chemicals
- Maintenance & Repair
- Shop Supplies

3 ***FIND YOUR PART NUMBER IN SECONDS***
Purchasing a Shop Setup and staying organized is simple. This program gives you the best price for all your parts, tools and Storage Equipment — all in one straightforward system.

UNIFIED SHOP ORGANIZATION
with complete setup of storage equipment, reducing downtime by having all the essentials on hand and organized; maximizing uptime with products you can trust.

FASTENER SHOP SETUPS

Kimball Midwest Fastener Shop Setups are comprehensive offerings that vary based on the type of fastener you need. Our most comprehensive configurations include an 80-hole bolt bin, eight drawers with racks, a stand and all the storage equipment you need to stay organized and efficient.

Fastener Equipment

The KM-USA Grade 8 Setup offers KM-USA High Head Cap Screws.

- Made in USA and fully traceable
- Stronger than the more commonly used Grade 5
- Made of alloy steel with six radial lines on the top of the bolt head
- High-grade materials enable greater tensile strength of 150,000 lbs. per square inch
