HOSE CLAMPS

HEAVY-DUTY

Durable, made in U.S.A. hose clamps provide reliable performance in demanding applications. The Quadra-Lock™ housings provide extra strength and stability, resisting twisting and lifting during installation.

CONSTANT TORQUE

Auto-adjusting clamps provide consistent sealing as surfaces expand and contract during temperature changes.

SILICONE

Smooth, integral liner protects silicone and other soft hoses from damage. Prevents the possibility of soft hose materials extruding through the slots of traditional worm gear clamps.

MOBILE STORAGE SOLUTIONS

609

13-1/2" W x 13-1/4" H x 9-1/8" D

IDEAL MOBILE STORAGE

Compact, lightweight assortments packaged in our large, high strength, oil resistant clear poly storage boxes with reinforced hinges.

Mobile assortments provide easy transportability for use away from main bins or stocking areas.

OPTIONAL FIVE-BOX RACK

Keyhole slots allow mounting on walls, storage equipment, service vehicle interiors and more.

The removable top handle allows easy carrying to the job. Top and bottom bolt holes provide secure stacking.

Locking hinge keeps drawers in place on service vehicles or other mobile applications.
